AK 7.62 5.56

Radom-made rifles are returning to the civilian market in a significantly improved and refined form. Over the 8 years of supplying Radom AK rifles to uniformed services around the world, we have gained vast experience and are ready to present the SPORTER and HELLPUP family of rifles in a new edition for the domestic market. Due to the changing situation with the availability of 7.62 x 39 mm ammunition, our products will also be available in the popular .223 Rem (5.56 x 45 mm) caliber.
